EDUCATION

Visvesvaraya Technological University

Master of Computer Applications.

Mysore , Karnataka
Nov 2022 - Oct 2024

MIT First Grade College

Bachelor of Computer Applications.

Mysore , Karnataka
June 2019 – Sept 2022

INTERNSHIP EXPERIENCE

Dotch Endeavours Pvt. Ltd.

Python Developer Intern

Mysore, Karnataka
Oct 2023 –Dec 2023

- Wrote Python programs using variables, loops, conditionals, and functions.
- Applied object-oriented programming concepts such as classes and objects.
- Handled files to read, write, and manage data efficiently.
- Implemented error handling using try–except blocks for smooth execution.
- Debugged and optimized Python scripts to ensure reliable performance.

PROJECTS

Attainment Application for VTU Faculties

- To streamline the process of tracking, assessing, and reporting the attainment of POs and COs for faculty members at VTU.
- Engineered and optimized for student and faculty use using PHP, MySQL, HTML, and CSS.
- Tech Stack – PHP, MySQL, HTML, CSS.

Smart Algorithms for Smart Farming: Detecting Lumpy Skin Disease with Deep Learning

- This project aims to use advanced machine learning to identify and classify lumpy skin in cattle.
- It includes features such as a deep learning model for accurate, scalable, and objective detection of lumpy skin disease in cattle using CNNs and ELM classifiers.
- Tech Stack – TensorFlow, Python, NumPy, Matplotlib, CNN, ELM, Jupyter Notebooks.

Inventory Management System

- Engineered an inventory management system using PHP and MySQL to optimize the tracking and management of stock levels, orders, and supplier information.
- Crafted a user-centric interface with HTML, CSS, and JavaScript to enhance inventory operations and reporting.
- Tech Stack – PHP, MySQL, HTML, CSS, JavaScript.

TECHNICAL SKILLS

Client Side: HTML, CSS, JavaScript.

Programming Languages: Python, Basics Of Java.

Technologies/Frameworks: Git, SDLC.

Relational Database: MySQL.

Tools: VS Code, MySQL Workbench, Jupyter Notebook.

CERTIFICATIONS

- Certified Python with Data Science from IBM.
- Certified MySQL Basics from Great Learning.
- Certified Introduction to OpenShift Applications from Red Hat.

LANGUAGES

- Kannada
- English
